## Cossitt Education Garden Bi-Annual Legacy Paver Drive

### Leave your mark on Cossitt's landscape!

The Cossitt Education Garden creates a foundation for a dynamic and interactive outdoor learning experience for students at Cossitt Elementary. Important life skills such as teamwork, planning, responsibility, respect for the earth, and healthy eating habits are emphasized as children of all ages visit and contribute to the annual development of the Garden.

***Between now and May 24th***, you can complete the Legacy Paver Order Form (download and print the next page) to order your personalized paver today!

Pavers can be customized (see detailed instructions on order form) to show your Cossitt spirit, acknowledge a teacher or faculty member, celebrate your child's success or favorite activity (select icons are available), or just share a positive thought or saying. Some samples are included below.

**Please turn in your completed order form to the Cossitt Office  
no later than 3:15pm on Friday, May 24th.**

Questions? Please contact Susan [bruggertoons@gmail.com](mailto:bruggertoons@gmail.com) (312-479-5700) or Debra [cossittptcfundraising@gmail.com](mailto:cossittptcfundraising@gmail.com)

## Thank you for your support!
