5TH AND 6TH GRADE BOOK CLUB!

We are forming a Book Club just for you! We will read and discuss a chapter book that will be chosen by the group at the first meeting. The book club is led by parent volunteers and will meet once a week for 8 weeks during the lunch hour starting on January 30th. Each student will be responsible for paying for his/her book when it is ordered.

Find a friend and sign up for this fun lunchtime group!

We are looking for parent volunteers to help lead discussions. If you are interested, please sign up below.
