

School District 102  
708-482-2400

October 21,2011

Dear Parents and Fourth Grade Boys and Girls:

As a part of our science and health curriculum, we will be meeting with your children to begin discussions on pre-adolescent physical maturation. The girls will be meeting with Kelli Kalata or Maria Slaby, certified school nurses, and the boys will be meeting with either Jon Caes or Mike Tarantino, school social workers. All students will view a video followed by discussion.

The girl's session will deal with feminine growth and menstruation, addressing attitudes and concerns from a young person's view. The biological facts about menstruation are explained clearly and carefully through animation.

We would like to give you an opportunity to preview the audiovisuals and the handouts we will be sharing with your student. This year the program, which typically lasts approximately one hour, will be held on

**Thursday, November 3, 2011**  
*at 7:00p.m.*  
*in the Park Junior High School LRC,*  
325 North Park Road, LaGrange Park.

There will be a question and answer session following the presentation.

These are the dates for the student presentation. All discussions are presented at 2:30 in each of these buildings.

Congress Park- Monday, November 7  
*Cossitt- Tuesday, November 8*  
Ogden- Thursday, November 17  
Forest Road- Friday, November 18

Again, your attendance at this meeting for parents is encouraged.

Sincerely,  
Kelli Kalata and Maria Slaby  
Certified School Nurses
