Dear Parents,

Welcome back to another great year at Cossitt School! We would like to inform you that our Student/Parent Handbook is posted on the District 102 website. To view the handbook:

- Go to the District 102 website at www.dist102.k12.il.us
- Click on Schools and Facilities.
- Slide your cursor down to Cossitt School.
- Once you are on the Cossitt School page you will find a box in the upper right corner that reads Parent Links.
- Click on Parent Information and you will find the link to our handbook.

You may also access an up to date Parent Calendar for Cossitt School in the same way. We hope to add more parent information to this section of the District 102 website throughout the year.

The information in this handbook addresses many issues related to our policies and procedures. We urge you to look through this information with your child so you are all informed of the expectations at Cossitt School. We ask that everyone return the form below indicating that you have read the Cossitt School Student/Parent Handbook. If you would like to have a hard copy of the Cossitt School Student/Parent Handbook, please indicate that on the form and return it to school. We will send a copy home with your child.

We look forward to working together with you this year!

Sincerely,

Mary Tavegia
Principal
