

## **Parent Survey About School Meal Program**

The district is looking for input on the school meal service currently offered to students at lunch time. A survey for parent input will be available between February 1st and February 10<sup>th</sup>, 2012 at:

The school meal program is about sack lunches that are available at school. Staying at school for lunch does not mean your child participates in the school meal program. Only those families who do participate in the school meal program should answer Question #3.

Students will be asked to participate in a similar survey at school. The survey results will be used to make recommendations for improvements to the program.
