Art appreciation 3rd grade - CCC - CULTURES
paper lanterns with country specific symbols

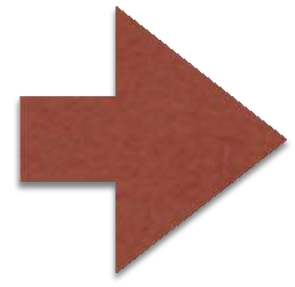

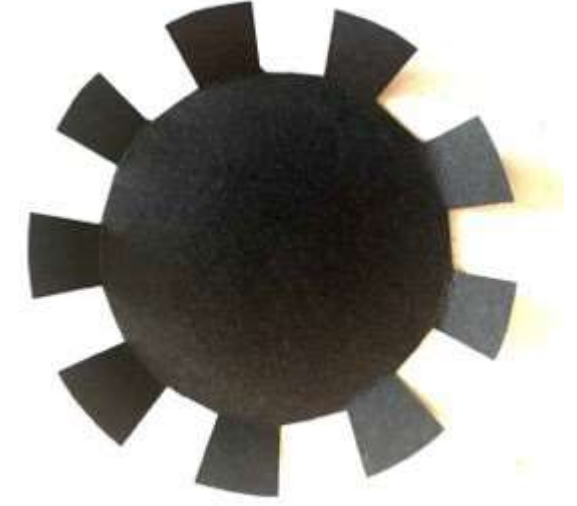

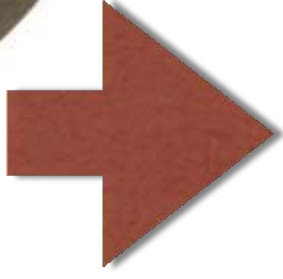

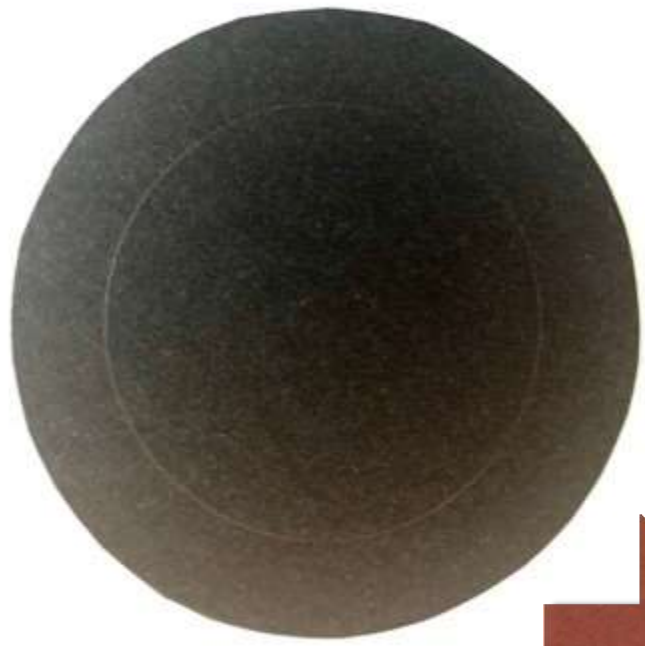

You need

- black poster 22 x 28 inch
 - (about 2 per class - 20 circles on one poster / 4 circles and 48 stripes on an other poster)
- vellum - transparent paper (one per lantern)
- chenille stems (pipe cleaners, one per lantern)
- SUPPLIES ALREADY IN THE CLASSROOM:
- glue stick
- crayons
- markers
- scissors

please prepare

- circles out of black cardboard (1 per lantern)
 - diameter 5 inch (radius 2 1/2 inch)
 - inner circle with diameter of 3 1/2 inch (radius 1 3/4 inch)
- stripes out of black cardboard or construction paper (2 per lantern)
 - 11 3/4 inch x 3/4 inch
- rectangle 6 inch x 11 3/4 inch out of vellum

Outer circle 5 inches
Inner circle 3 1/2 inches

kids glue 2 stripes on the vellum with glue stick*
(vellum covers 1/2 of stripe)

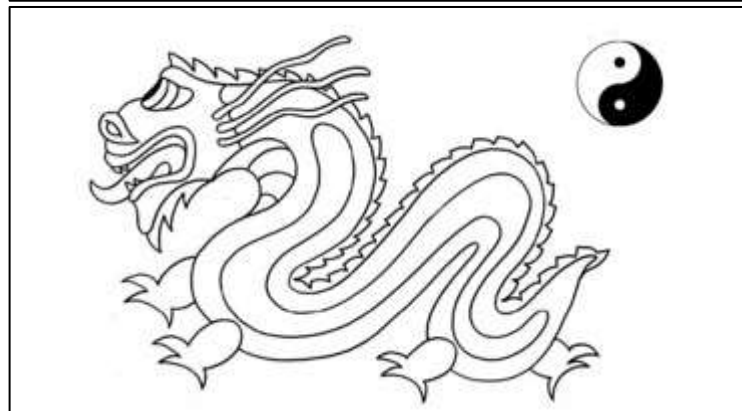

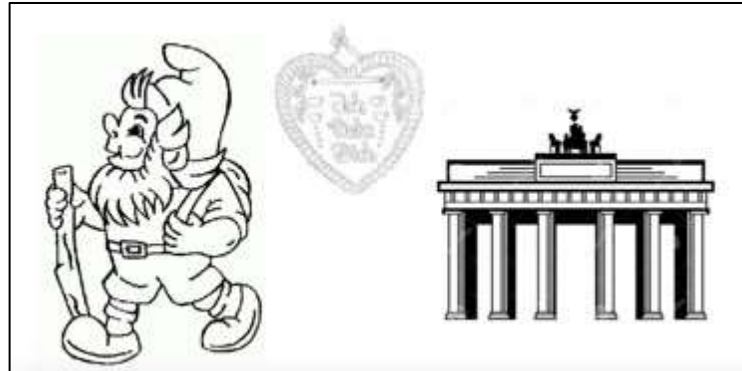

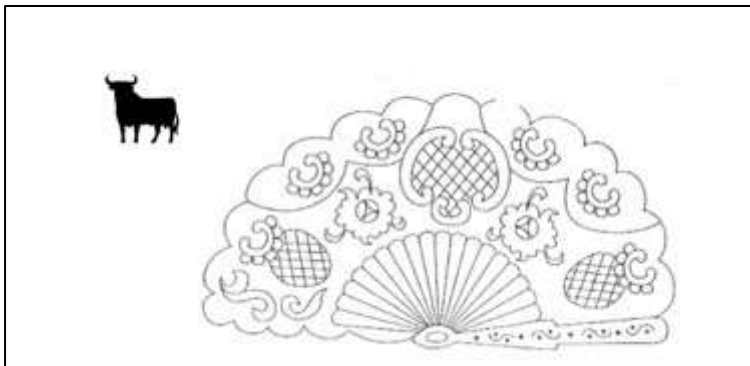

drawing should be face down

* if you want to save time, first glue the stripes on the vellum, second draw onto the vellum.

kids create their country lantern

with symbols, flags, by tracing, coloring with markers or crayons

Assembly with hot glue (glue gun - adults only)

glue the round base one edge after the other on the lantern main part (put glue on one edge, attach, wait until dried, proceed with next edge)

try to avoid pleats, be careful while closing the lantern you have only 1/4 inch overlapping space

punch 2 holes into the top stripe (adult) attach the pipe cleaner (kids)

use for decoration
or take a walk with your lantern in the dark
